**ADVERTISEMENT FOR**  
**APPOINTMENT OF PROJECT ENGINEER**  
**ON CONTRACT**

BERI Society invites applications from Graduate Engineers having BE Mechanical or Electrical degree from a recognised University for appointment on work contract as a Project Engineer.

The selected incumbent will be responsible for the operation, maintenance and the management of our Biomass Gasification Power Plants & the works related thereto.

The plants are located in Kabbigere, Boregunte & Seebanayanapalya Villages in Tumkur District, Karnataka State. The selected incumbent will have to stay in Tovinkere Village, Kortegere Taluk, Tumkur District.

A remuneration package totalling between Rs 2.16 lakhs to Rs 2.64 lakhs per annum is offered to this post. The remuneration is negotiable depending on the qualification & experience of the applicant. Candidates with experience will be preferred. The appointment is on a work contract for one year only, renewable for a period of one more year.

Biomass energy is a Greenfield Renewable Energy Sector & is poised to grow tremendously in the immediate future. The selected incumbent will have adequate opportunity to gain extensive knowledge on the subject beneficial for his/her professional growth. Only such candidates who have the spirit & zeal to work in the rural areas on green energy need apply. The resume/ CV may be sent to this office by email & hard copy on or before 15-10-2010. The selected candidate should be ready to start work by 01-11 - 2010. The shortlisted candidates will have to come to Bangalore for interview at their own cost. Only one candidate will be selected for the contract appointment.
